

Do you have frequent container shipments between Asia and Europe and need reliable transport services that adapt to your changing requirements? Whether you prefer a specific pricing model or a combination of our services, we provide flexible options to deliver your ideal solution.

FIXED PRICES

Ideal if you:

- ▶ Have regular weekly volumes without seasonal peaks
- ▶ Require highest priority for space and equipment availability
- ▶ Need fixed transportation costs for 6 to 12 months
- ▶ Can commit to a minimum of 10 TEUs per week
- ▶ Are ready to enter a mutual commitment

FULLY FLEXIBLE

Ideal if you:

- ▶ Want to monitor and respond to dynamic market changes on a weekly basis
- ▶ Prefer to use Index-based rates
- ▶ Require guaranteed loading during peak season and low rates during off-peak season
- ▶ Seek rates better than the market average

A BALANCED MIX

Ideal if you:

- ▶ Prefer to move your cargo according to current market conditions
- ▶ Require fixed rates for 1 month or 3 months
- ▶ Need guaranteed loading with no cargo rollovers
- ▶ Want to have a minimum of two carrier options per week
- ▶ Can commit to at least 4 TEUs per week to benefit from better-than-market-average rates
