

Weekly Charter Flights: Hong Kong – Eastern Europe

Your Challenge

- ▶ Fast, reliable air cargo service from Hong Kong and China to Eastern Europe
- ▶ Limited space availability during peak seasons (e.g. before Christmas)
- ▶ Need for streamlined door-to-door solutions, including last-mile distribution
- ▶ Compliance challenges when shipping battery cargo and other sensitive goods

Your Benefits

- ✓ Reserved space on weekly flights
- ✓ Competitive rates for general and special cargo
- ✓ End-to-end logistics with a single point of contact
- ✓ Extensive network in China, Hong Kong and CEE
- ✓ 24/7 tracking and transparency

Our Solution

- ▶ Four weekly charter flights between HKG and BUD with 400 tons capacity per week
- ▶ Guaranteed space and express handling
- ▶ Pre-carriage from anywhere in Hong Kong & China
- ▶ Last-mile delivery across Eastern Europe
- ▶ Fully compliant solutions for battery cargo
- ▶ Warehousing, cross-docking, and customs clearance under one roof
