

PRESS RELEASE 11/2025

cargo-partner expands airfreight services from the UK to 12 key destinations worldwide

cargo-partner, a group company of NIPPON EXPRESS HOLDINGS, INC., and a global transport and logistics provider, has announced the expansion of its airfreight services from the UK, offering businesses access to 12 new destinations across Asia, North America, and Africa. This service provides businesses with flexible, cost-effective, and reliable solutions for international shipments.

The new weekly services connect the UK to key global hubs including Johannesburg, Mumbai, Bengaluru, Delhi, Doha, Boston, Tokyo (Narita and Haneda), Osaka, Nagoya, Fukuoka, and Taipei. Thanks to secured capacity with partner airlines, customers benefit from greater control and flexibility when shipping cargo worldwide.

“Our expanded airfreight network makes it easier than ever for UK businesses to reach major markets across Asia, North America, and Africa,” said Fergal Keenan, Managing Director, cargo-partner UK & Ireland. “From high-tech products to pharmaceuticals, fine arts, and temperature-sensitive items, our teams provide tailored solutions to meet every customer’s shipping needs, backed by the highest standards of safety and reliability.”

cargo-partner offers a range of services – ECONOMY, PRIORITY, and EMERGENCY – to help customers balance speed and cost. All shipments are fully trackable via cargo-partner’s supply chain management platform, “SPOT”, with instant access to booking and transport documentation. Specialized services are available for dangerous goods and temperature-controlled items, with expert advice on customs, certificates of origin, and regulatory compliance.

Globally, cargo-partner operates a comprehensive network of regular airfreight consolidation services, with 35 inbound trade lanes to Europe from major Asian origins, and 49 outbound trade lanes from Europe to key markets including North and Southeast Asia, India, Japan, and the United States. Developed in close cooperation with Nippon Express, this network is continuously being expanded to provide customers with faster and more reliable global transport solutions.

The launch of these 12 weekly services from the UK strengthens cargo-partner’s global network and reinforces its commitment to supporting global supply chains efficiently and reliably. With dedicated local teams in Manchester, London, Bradford, Basildon, and Dublin, cargo-partner in the UK & Ireland offers expert guidance and personalized transport solutions across air, sea and road, meeting a variety of customer needs.
