

# Rail

*up to 50% faster than sea freight | up to 60% less expensive than air freight  
weekly departures | door-to-door solution | value added services  
own offices throughout China and Europe*

## Rail LCL: China to Czech Republic in 16-17 Days

Benefit from our direct rail connections between China and the Czech Republic! Our LCL rail transport service is a reliable, environment-friendly and cost-efficient alternative to air and sea freight. Our one-stop solution includes pick-up from anywhere in China and delivery to any destination in the Czech Republic. Full transparency is guaranteed thanks to the SPOT Visibility & Collaboration Platform. Transport insurance and customs clearance services are available upon request.

Consolidation Hub	Origin	S/O Cut-Off	CFS Cut-Off	Document Cut-Off	Customs Declaration	ETD	Transit Time Dobroviz
Shanghai	Xi'an	Monday 10:00	Thursday 16:00	Friday 17:00	Thursday 10:00	Next Thursday	16 - 17 days
