

Rail

*up to 50% faster than sea freight | up to 60% less expensive than air freight
weekly departures | door-to-door solution | value added services
own offices throughout China and Europe*

Rail LCL: Xi'an to Duisburg in 16 Days

Benefit from our weekly direct rail connections between Xi'an and Duisburg! Our LCL rail transport service is a reliable, environment-friendly and cost-efficient alternative to air and sea freight. Our one-stop solution includes pick-up from all over China and delivery to any destination in Germany as well as other countries in Western Europe.

Full transparency is guaranteed thanks to the SPOT Visibility & Collaboration Platform. Transport insurance and customs clearance services are available upon request.
