Rail LCL: Ningbo to Europe in 13 Days

Benefit from our rail connections from China to Europe! Our LCL rail transport service is a reliable, environment-friendly and cost-efficient alternative to air and sea freight. Our one-stop solution includes pick-up from China and delivery to any destination in Central and Eastern Europe including Austria, Bosnia and Herzegovina, Bulgaria, Croatia, the Czech Republic, Hungary, Romania, Serbia, Slovakia and Slovenia.

Full transparency is guaranteed thanks to the SPOT Visibility & Collaboration Platform. Transport insurance and customs clearance services are available upon request.
