## LCL: Busan to Koper in 26 Days

Are you looking for a faster seafreight option for your transports from Asia to Central and Eastern Europe? Transport via the Slovenian port of Koper provides a significantly faster alternative to shipping via Northern ports. cargo-partner offers weekly consolidation services from Busan to Ljubljana via Koper with reserved space all year round.

Our door-to-door service includes pickup from anywhere in South Korea and distribution from Ljubljana to anywhere in Central and Eastern Europe, including Austria, Hungary, Slovakia, Croatia, Romania as well as Bosnia and Herzegovina. In addition, we are glad to handle fiscal customs clearance and offer comprehensive warehousing and value added services at our state-of-the-art iLogistics Center near Ljubljana airport.

Our Purchase Order Management solutions ensure easy collaboration and improved planning with your suppliers, and our Visibility & Collaboration Platform SPOT provides end-to-end transparency throughout the entire supply chain.
