LCL: Qingdao to Koper in 38 Days

Are you looking for a faster seafreight option for your transports from Asia to Central and Eastern Europe? Transport via the Slovenian port of Koper provides a significantly faster alternative to shipping via Northern ports. cargo-partner offers weekly consolidation services from Qingdao to Ljubljana via Koper with reserved space all year round.

Our door-to-door service includes pickup throughout Shandong province and distribution from Ljubljana to anywhere in Central and Eastern Europe, including Austria, Hungary, Slovakia, Croatia, Romania as well as Bosnia and Herzegovina. In addition, we are glad to offer comprehensive warehousing and value added services at our state-of-the-art iLogistics Center near Ljubljana airport.

The Visibility & Collaboration Platform SPOT provides end-to-end transparency, easy order placement and communication, online warehousing and inventory management and many other features to streamline your supply chain.
