## LCL: Thailand to Europe in 25 Days

cargo-partner offers weekly direct consolidation services from Lat Krabang to Ljubljana via Koper with reserved space all year round. Goods can be picked up from anywhere in Thailand and consolidated at the container freight station in the Lat Krabang area. The containers are then shipped to Koper, where we handle transport to the container freight station in Ljubljana as well as further distribution to Austria, Bosnia and Herzegovina, Croatia, Southern Germany, Hungary, Romania, Serbia, Slovenia and Slovakia.

We also offer comprehensive customs clearance, warehousing and inventory management as well as a wide range of value added services. Our Visibility & Collaboration Platform SPOT provides transparency throughout the entire supply chain.
