*full LCL coverage | direct consolidation | weekly sailings
own road and rail service in CEE | dedicated customs service teams
warehousing in Europe and USA | central billing for all of Europe*

New York to Vienna in 18 Days

cargo-partner offers weekly direct LCL sailings from New York, USA to Vienna, Austria with first-class carriers. Thanks to our extensive network of own offices and partners, we can provide full coverage for all your transports from the USA to Central and Eastern Europe. Our dedicated customs service teams and U.S. Customs Broker License ensure the speedy handling of your shipments. Our door-to-door service includes warehousing as well as on-carriage via our container train and trucking services. The SPOT Visibility & Collaboration Platform enables integrated supply chain management and allows you to track your shipments in real time.
