## Your Challenge

- ▶ Are you an Amazon merchant selling products in Europe or the USA?
- ▶ Do you need a partner to handle your overseas import shipments, including customs clearance?
- ▶ Are you finding it difficult to plan around fluctuating storage costs and long-term storage fees?
- ▶ Are you faced with obstacles when Amazon is receiving goods in their fulfillment center, e.g. labeling?
- ▶ Are you struggling with the costs of return shipping, restocking and processing fees?

## Our Solution

- ▶ Global transport solutions by air, sea, road and rail
- ▶ Customs clearance teams in Asia, Europe and USA
- ▶ Cost-efficient storage, no long-term extra charges
- ▶ Inbound quality check at cargo-partner warehouses
- ▶ Dispatch orders and 24/7 visibility via our SPOT eWarehouse Platform
- ▶ Amazon-FBA-compliant picking, packing and labeling
- ▶ Shipment to Amazon Fulfillment Center by Amazon-approved Parcel and LTL/FTL shipping
- ▶ Returns processing: quality checking, repacking, relabeling and restocking

## Your Benefits

- ✓ Freight forwarding provider since 1983
- ✓ 5+ years of experience in enabling FBA business
- ✓ cargo-partner fulfillment centers located close to all major Amazon distribution centers
- ✓ Faster replenishment, optimized costs and lower risk of running out of stock
- ✓ Lower return costs by shifting returns from FBA facility to cargo-partner's fulfillment center
