Processing purpose legal basis and data retention period		
<p>In the following, we would like to inform you about the processing purposes related to your personal data and our data collection and their corresponding legal basis and data retention.</p>		
Purpose	Legal basis	Data retention
<p>Sub-contractor relationship management</p> <p>We process personal data of our sub-contractors which is essential for managing contractual relationships, ensuring compliance with legal obligations, and maintaining accurate documentation.</p> <p>The personal data of sub-contractors typically includes but is not limited to contact information, company details, and data necessary for the fulfilment of contractual obligations. This data is processed to establish, maintain, and manage our professional relationship with the sub-contractors, including contract administration, communication, and compliance with legal requirements.</p>	<p>Processing is necessary for the performance of a contract company based on GDPR art 6(1)(b), the legitimate interest of our company based on GDPR art 6(1)(f) and for compliance with our legal obligations company based on GDPR art 6(1)(c).</p>	<p>Until end of business relationship + 10 years</p>
<p>Processing of GPS and tour data</p> <p>We process geolocation data collected through GPS tracking via hand scanners. These data include the geographical positions of the scanners during the logistics process. The purpose of this processing is to improve the efficiency and security of our freight logistics by obtaining accurate location data of our shipments. This enables us to optimize route planning, monitor the progress of shipments, and ensure the safety of the cargo.</p>	<p>Processing is necessary for the performance of a contract based on GDPR art 6(1)(b).</p>	<p>60 days</p>
Data subject rights		
<p>If the relevant legal requirements are fulfilled, you have the following rights under article 15 to 22 of the GDPR: the right to information, rectification, erasure, restriction of processing and data portability. In addition, you have the right to object to processing based on Art. 6(1)(f) DSGVO (legitimate interest) in accordance with article 21 of the GDPR.</p>		

If the processing is based on Article 6(1)(a) or Article 9(2)(a) (consent), you have the right to withdraw your consent at any time without affecting the lawfulness of the processing carried out based on the consent until the withdrawal.

Right of complaint

In accordance with art 77 of the GDPR, you have the right to complain to the supervisory authority if you believe that the processing of your personal data is unlawful. The address of the responsible supervisory authority for cargo-partner is the Austrian Data Protection Authority located in 1030 Vienna, Barichgasse 40-42.

Recipients or categories of recipients

Within our company, those departments and employees will receive your data that are required to fulfill the intended purpose. In addition, data processors contracted by us (e.g., IT service provider) or independently data controllers receive your personal data if this is necessary for the same purpose.

For the above mentioned purpose(s) we use following data processors:

- Cargo-partner Headquarter GmbH: Airportstraße 9, 2401 Fischamend, Austria

All data processors are contractually obliged to treat your personal data in accordance with the provisions of data protection laws and to process it exclusively in the context of the provision of services.

Automated decision making and profiling

We do not use any automated decision making, including profiling.

International data transfer

We do not plan to transfer your data to a third country out of the EU or EEA.
